Our mission is to encourage and develop those we meet into committed followers of Jesus.

Greetings!

Especially as we approach this 250th anniversary of our nation's founding, we should carefully contemplate the 4th of July and what it means for the United States. It's also a good time to consider the true meaning of freedom experienced through Christ.

We'll draw parallels in this morning's sermon between the Declaration of Independence and our spiritual liberation... focusing on the quest for freedom from sin, the price Jesus paid for our freedom, and our responsibility to live righteously. The truth being this: Christ's sacrifice grants us ultimate freedom and empowers us to live in God's purpose. As we consider the freedoms we have it's important that we also recognize the greatest freedom we've ever been offered.

If you haven't been given a Visitor's packet, please let one of the ushers know before you leave us today.

Thank you for being such an important part of our fellowship today and please plan on returning.

God Bless, and have a blessed week,

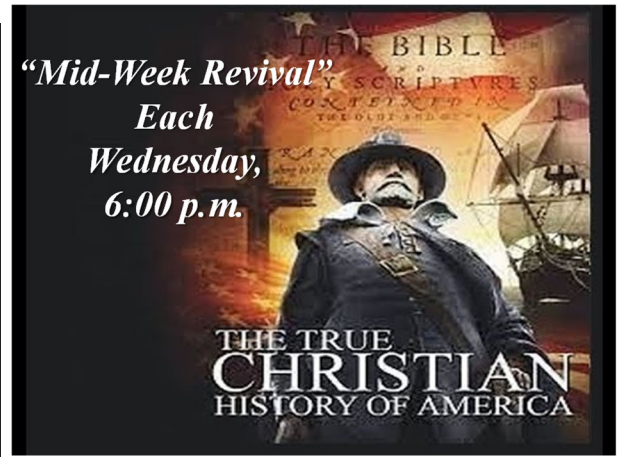

Pastor Ben and Brenda
