Greetings
this
Blessed
Easter
Sunday...

To many
it means
the Easter
bunny, a
day of

food and celebration. For some it is an obligatory church-attending holiday, after which life goes on as usual. How sad that we have so quickly forgotten the true meaning of Easter. While we often lament forgetting the true meaning of Christmas, we need to be so much the more passionate about the events of this Holy Week. Our God reigns! Jesus Christ died, yes. But even more importantly, He rose again and is now seated at the right hand of God the Father. And He has reclaimed life for all those who believe in Him. This is the second miracle of Easter. Through God's work on the cross, we have access to eternal life as well:

"For I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes..."(Romans 1:16).

If you haven't been given a Visitor's packet, please let one of the ushers know before you leave us today.

Thank you for being such an important part of our fellowship today and please plan on returning.

God Bless, and have a Most Blessed Easter!
