

Boyce Baptist Cross-Currents

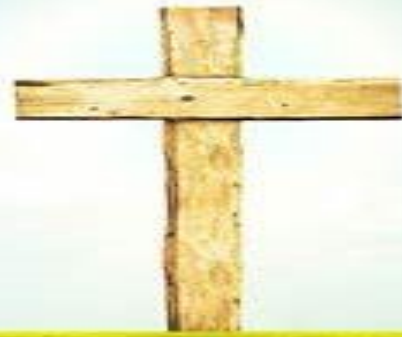

Church Newsletter For Week of April 14, 2024

Welcome to Volume 66

Of Our Newsletter! !

We Welcome You to Our

Worship This LORD's Day!

Welcome!

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

This morning we begin a new sermon series entitled, "Are You Ready?". The over-arching purpose of the series is to strike a chord of awareness in our hearts and minds with regard to current events as they portend biblical prophecy, and then to ask ourselves, "Are we ready?", not just for the rapture, but for those circumstances which fulfill the words of Christ when He told His disciples that just prior to His return, times would be, "...as it was in the days of Noah...".

"What Would Noah Do?" gets us started this morning. I pray you will be not only blessed, but challenged as well.

Please note that "The Big Flea" event was postponed until next Saturday due to wind conditions. Perhaps if you were not available yesterday, you might consider signing up for this weekend's efforts.

I hope if you are here today you will join us for a time of Baptist food and fellowship following this morning's service. You need not have brought a dish...there is sure to be plenty. Just bring your desire to share fellowship with us.

If you are visiting with us today, thank you for being such an important part of our fellowship and please plan on returning.

God Bless,
Pastor Ben
