Church Newsletter For Week of April 21, 2024

Welcome to Volume 67
Of Our Newsletter! !

We Welcome You to Our
Worship This LORD's Day!

Welcome!

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

This morning we continue our sermon series entitled, "Are You Prepared?". Today's message deals with Christ's description to his disciples how that, just prior to his return, times would be, "...as it was in the days of Noah...". Today's message will also bring Paul the Apostle to bear on our worlds' current condition and how closely we are aligned with his own prophecies.

"What Would Noah Do?" gets us started this morning. I pray you will be not only blessed, but challenged as well.

"And a great time was had by all!" could be applied to no better an occasion than last week's "Soup-er Sunday". So much good food and fellowship! Thanks to everyone who made the get together such a success!

Wow! What an amazing demonstration of loyalty and commitment to the cause of Christ manifested by all those who helped out yesterday to spend the hours not only encouraging those who stopped by the church's booth at the Berryville "Big Flea" toward a relationship with Christ, but also encouraged each other in such a precious time of fellowship. God bless each of you not only by your presence but by your efforts to connect with the many who came by our booth.

If you are visiting with us today, thank you for being such an important part of our fellowship and please plan on returning.

God Bless,
Pastor Ben
